Dear Victoria,

Re: Recognition of the International Arab Baccalaureate

I am very pleased to confirm that Cardiff University will consider applications from students presenting the International Arab Baccalaureate (IAB), for undergraduate programmes where there are no subject-specific requirements. All applications will be considered on a case-by-case basis.

A general grade equivalency to A-Level requirements is given below:

AAA – 93%
AAB – 90%
ABB – 87%
BBB – 84%

Applicants should refer to the University website for detailed information on all available undergraduate programmes, including full entry requirements: <https://www.cardiff.ac.uk/study/undergraduate>

In addition to meeting all academic requirements, IAB students will also be required to meet the University's English language requirements. A list of recognised qualifications and scores can be found on the University website.

Acceptance of the IAB will be reviewed periodically in line with University policy.

Should you require any further information about Cardiff University, please do not hesitate to contact the International Office:

Email: International@cardiff.ac.uk
Telephone: +44 (0)29 20874432

We look forward to welcoming IAB students to study at Cardiff University.

Yours sincerely,

Rhys Evans
