

Dear Victoria Clarke,

We are delighted to confirm that Keele University is able to consider the International Arab Baccalaureate (IAB) as an entry qualification equivalent to 3 GCE A Levels, in applications to our undergraduate degrees.*

Equivalency table:

GCE A Level requirement	IAB requirement
AAA	92%
AAB	90%
ABB	88%
BBB	86%
BBC	84%
BCC	82%
CCC	80%

For courses where there is an A Level subject specific requirement we would require 92% in that subject in the IAB for an A level grade A equivalency, 86% for a B equivalency and 80% for a C equivalency.

* For applicants wishing to study Medicine please contact Medicine Admissions

Best wishes,
Laura Savona
